

# DO YOU HAVE A CONCERN ABOUT WRONGDOING AT WORK?

## 1 Seek advice early

Call Transparency International Ireland's Speak Up Helpline at: **1800 844 866**.  
If you are ready to speak up...

2

## Share your concerns

Read your organisation's **Protected Disclosures Policy** to learn about your reporting options.

## 3 Tell us about your experience

We can help your employer learn from your experience in speaking up so that they can **better respond to concerns in future**.

**TRANSPARENCY  
INTERNATIONAL**  
IRELAND

The Integrity at Work (IAW) programme has been designed by Transparency International (TI) Ireland to help foster workplaces where people are supported to raise concerns of wrongdoing and act with integrity.

In signing the IAW Pledge, your employer has promised to protect those who speak up about wrongdoing; to take action in response to those concerns; and to signpost workers to sources of advice and support, including TI Ireland's Speak Up Helpline.
